

NOTES

In the main content area, we are showing the number of donors to date out of 3,000. This information is reflected in the bar graph below this noted in black and grey currently. Below this, a link saying, “See how your class is performing” in all caps linking to subpage.

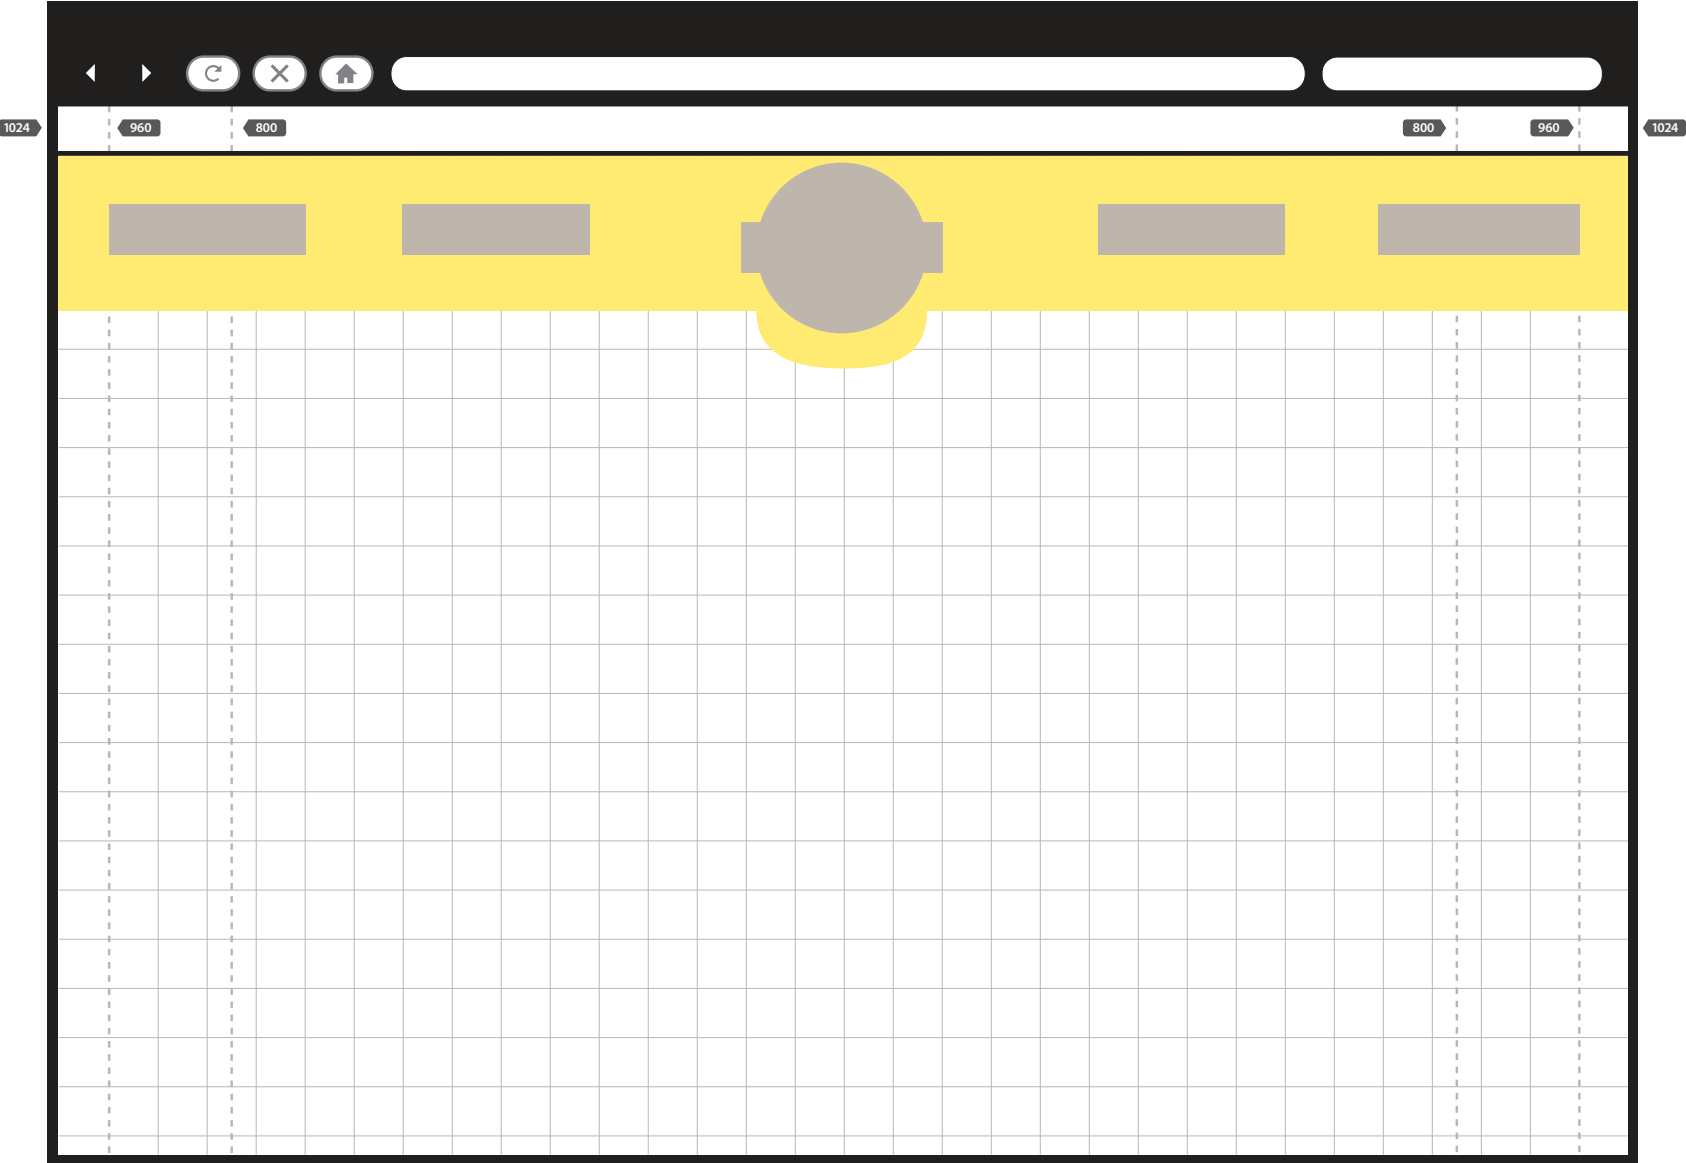

NOTES

In the main content area, the leftmost vertical column is a list of the decades. The orange box represents that one has been selected. On the right, you will see a vertical list of horizontal bar graphs for the individual class years. On the right of this is the amount given. This is always displayed.

NOTES

In the main content area, the leftmost vertical column is a list of the decades. The orange box represents that one has been selected. On the right, you will see a vertical list of horizontal bar graphs for the individual class years. The mouse icon represents how the amount given would be displayed on hover. NOTE: Potentially not mobile device compatible hover.
